

Quiet Time

Pray that the Lord will soften your heart to His Word and read **Luke 9:23-27; 9:57-62; 18:18-30**.

Meditate on and answer the following questions:

What do these passages teach us about God?

What do they teach us about man?

What are some examples to follow?

Are there sins to avoid?

Is there someone in your life you can share this with?
